AT ROOK LANE | FROME

“We had such a lovely day, the room looked gorgeous, such a beautiful feel and light. We are so pleased we chose to get married at Rook Lane.”

Rook Lane provides timeless elegance for your special day.

Rook Lane Chapel offers a unique venue for your wedding ceremony. A restored 18th Century Grade 1 listed building, the chapel combines traditional grandeur with elegant contemporary design. Majestic stone columns rise up to support the high domed roof, with light flooding into the serene open plan space through the original ceiling-height windows, and the stunning rose windows.

The contemporary extension to the chapel is the perfect space for a champagne reception. A modern, sunlit bar area opens out into a landscaped garden with rooftop views over Frome, an excellent setting for champagne and photographs.

The Chapel space can seat up to 160 guests for your Ceremony and reception. You can decorate and have the space as you wish, just share your vision for your day with us. We can set the space up with chairs, cream carpet runner, ceremony table with cream cloth and registrars table for you.
