ROOK LANE CHAPEL | FROME

“We had such a lovely day, the room looked gorgeous, such a beautiful feel and light. We are so pleased we chose to get married at Rook Lane. „

Rook Lane provides the perfect venue for your special day.

Rook Lane Chapel offers a unique venue for your wedding ceremony.

A restored 18th Century Grade 1 listed building, the chapel combines traditional grandeur with elegant contemporary design. Inside majestic stone columns rise up to support the high domed roof, with light flooding into the serene open plan space through the original ceiling-height windows, and the stunning rose windows.

The contemporary extension to the chapel is the perfect space for a champagne reception. A modern, sunlit bar area opens out into a delightful landscaped garden with rooftop views over Frome, an excellent setting for drinks, canapes, photographs, garden games.

We offer a range of packages and the chapel space can seat up to 160 guests for your Ceremony, or up to 120 for ceremony and reception.

You can decorate and have the space as you wish, just share your vision for your day with us. We can set the space up with our chairs, cream carpet runner, ceremony table with cream cloth and registrars table for you. Or you can set up with your choice of hired props, furniture and decorations, including hanging floral arrangements.

couldn't have hoped for better.
